BMX Freestyle : Steve McCann is crowned the new King of New York!

Posted by [Bart](#) on Wednesday August 02, 2006 04:00:00 PM (311 reads)

The tenth anniversary of the KoNY was a good time and lots of good riding went down . Steve McCann takes home the bragging rights as the new King of New York! Many thanks to Danny Parks and the old school Mullaly crew and NYC parks department for hooking up this action packed competition. The pro class was a blast with the likes of **Steve McCann** who was totally killing the Mullaly park. **Adrian Henderson** from Colorado battled his way into second place and **Jorge the "EAGLE" Jovel** local Bronx native took third.

What do you think of this year's X-Games vert ramp?

Someone is going to get seriously hurt

It's different, I like new stuff

You not only need skills but big balls too

Set-ups like this require more practice

Can't wait to see the riding
