BY BICYCLE:

You can download a PDF version of the [NYC bicycle map](#) supplied by the Department of Transportation. The map is also available in most bike shops in New York City. You can also call 311 and have a map sent to your home, but expect to wait about two weeks for delivery.

BY PLANE:

There are three major airports which will get you into or close to New York City: Newark International, John F. Kennedy (JFK), or LaGuardia Airport. Prices vary depending on where you're coming from and all three are somewhat equidistant to the venue.
